Mohd Aslam Khan

Data Scientist | Machine Learning Engineer

Lucknow, Uttar Pradesh | iaslamkhan00@gmail.com | +91-7317761754 | LinkedIn | GitHub

Summary

Data Science enthusiast with hands-on experience in building ML models for fraud detection and face recognition systems. Skilled in Python, Scikit-learn, and TensorFlow with strong understanding of data preprocessing, model evaluation, and deployment concepts. Passionate about solving real-world problems using AI-driven solutions.

Skills

Programming: Python, SQL
Machine Learning: Supervised and Unsupervised Learning, Logistic Regression, Random Forest, Model Evaluation
Deep Learning: TensorFlow
Data Analysis: EDA, Data Cleaning, Feature Engineering
Libraries: NumPy, Pandas, Seaborn, Matplotlib, Scikit-learn
Visualization Tools: Power BI.
Developer Tools: GitHub, VS Code, Jupyter Notebook, Streamlit
Soft Skills: Leadership, Good Communication, Adaptability, Critical Thinking, Work Ethic.

Education

Integral University, Lucknow
B.Tech in Computer Science and Engineering
- CGPA: 7.5/10

Projects

AI-Based Financial Fraud Detection in Banking System GitHub
- Developed and compared ML models (Logistic Regression, Random Forest, XGBoost) to detect fraudulent transactions.
- Engineered features and optimized model performance using F1-score and confusion matrix evaluation.
- Built a system to proactively flag high-risk transactions, improving fraud detection efficiency.

Face Recognition Based Attendance Monitoring GitHub
- Developed an automated attendance system using real-time face recognition.
- Implemented image processing and facial recognition using OpenCV and face_recognition.
- Built a face encoding pipeline to match video input with a registered dataset.

Internship

Corizo in collaboration with IIT Bombay's Mood Indigo 06/2025 – 08/2025
- Completed hands-on training in Machine Learning and Data Science concepts.
- Performed data preprocessing, feature engineering, and model evaluation.
- Built and evaluated ML models using Python and Scikit-learn.

Interests

- Cricket
- Volleyball
- Badminton
- E-Sport
